Hi Calvin, here is the signed letter. I know that we are required to upload this document to the GSDT. You should also send it out via email so they receive it before our call today. Thanks! David

Thanks, David! I have accepted all redline changes in both the cover letter and Enclosure, and combined the two documents in the attached pdf for your signature.

Hi David,

Attached, for your review and comment, are the cover letter and its enclosure for CES initial tech review. Hope to provide the comments to CES this week.

Thanks,
Calvin
